## **Kulp Roofing and Construction to Give Roof Replacement to Local Family During 'Kulp Gives Back' Promotion**

QUAKERTOWN, PA – From April 19 through May 31, 2021, Kulp Roofing and Construction, LLC is encouraging local residents in the Lehigh Valley, Poconos, and Bucks County areas to nominate a family in need of a roof replacement and gutter installation (including a leaf protection system) at no cost to the family.

"2020 was a difficult year as the pandemic impacted everyone in our community, including us," said Ryan Hogan, Kulp Roofing and Construction Marketing Manager. "Being a locally owned and operated company, we felt it was important to give back to the communities that support us. We discussed the idea in our management team meeting and said let's give it a go.

"Thanks to great support from our manufacturer and media partners our hope is to get the word out and give a well deserving family in the region a new roof and gutter makeover. We're even throwing in a leaf protection system so no more cleaning those pesky gutters!"

Kulp Gives back is made possible by partners GAF, Service Partners, Leaf Relief by PlyGem, Adams Outdoor, iHeart Media, Lehigh Valley with Love Media, and Sarott Design.
