Kulp Roofing and Construction to Give Roof Replacement to Local Family During 'Kulp Gives Back' Promotion

QUAKERTOWN, PA – Throughout the months of April and May 2022, Kulp Roofing & Construction, Inc. will encourage local residents to nominate a family for a roof replacement and gutter install (including a leaf protection system) at no cost to the family. The person nominating the family must submit an entry that outlines why this family is in need of a roof and gutter replacement and what makes them worthy a family to in fact complete this project.

The entry letter should be as complete and thoughtful as possible and must include the family's home address along with a phone number and email so we can inform the winner when they have been chosen. The family must reside in our service area which includes Berks, Bucks, Carbon, Lehigh, Monroe, Montgomery, Northampton, and Schuylkill counties.

Our "Kulp Gives Back" promotion was a huge success last year and the smiles it brought to our employees faces and Anne Mae's (last year's winner) face proved how great it is to give back to those who sometimes need a hand," said Ryan Hogan, Kulp Roofing & Construction, Inc. Sales and Marketing Manager. "This was all we needed to see to make us give it a go again this year. Thanks to great support from our manufacturer and media partners our hope is to get the word out and give another well deserving family in the area a new roof, gutter, and leaf protection system."

"Kulp Gives Back" is made possible by partners GAF, Service Partners, Viamedia, iHeart Media, Lehigh Valley with Love Media, and Sarott Design.

Please visit <https://kulproofing.com/kulpgivesback/> for more information on how to nominate a family.

The family must reside in our service area which includes the counties of Berks, Bucks, Carbon, Lehigh, Monroe, Montgomery, Northampton, Schuylkill.
